Where We're Going Today:

1. What remote work is/isn't
2. Best Practices
3. The Secret Sauce

A wooden hourglass with a glass bulb and a wooden frame, set against a white brick wall. The sand is partially filled, and the hourglass is hanging from a chain.

**Make your
remote workers
leave work
at work.**

DEMOCRATIZING GENEROSITY

Give

 @BenUNC

A rude customer, to one who is just laying bricks, is a pain to be avoided.

To one who is building a cathedral, they are an opportunity to be converted into a thrilled customer.

Questions?
